The second signatory can then login anytime, anywhere, and add their authorisation to the nominated transaction/s.

This legally completes the full authorisation process by both signatories.

Types of transactions include:

- Transferring funds to other accounts
- Loan repayments
- Paying bills with BPAY®
- Cheque requests
- Periodical payments
- Manual and upload of batches

The LLL holds an Australian Financial Services Licence (AFSL) No. 329339 issued by ASIC, which authorises the LLL regarding its non-cash payment facility. This facility is the LLL@Home Internet Access Service (LLL@Home) offered through the LLL website [www.lll.org.au](http://www.lll.org.au). You should obtain and read the Product Disclosure Statement (PDS) and consider it before making any decision about whether to use LLL@Home.
