

Finance
with a
mission

2011 marks 90 years of the LLL and we praise God for His faithfulness to us all these years. We take this opportunity to reaffirm our commitment to serving the Church, holding uncompromisingly to our original goals and ideals.

As a part of this celebration we are introducing a new corporate look that is contemporary, with a timeless feel. We are excited at the possibilities this new initiative will bring and look forward to your support as we continue our partnership in serving God.
